

Director Clinical Services

MAKING THE MOST OF LIFE

Pivotal, Challenging and Exciting Executive Opportunity

Mary Potter Hospice is one of Wellington's most loved charities, providing hospice services to hundreds of people and their families every year in the Wellington, Porirua and Kapiti region. The Organisation believes that everyone has the right to quality of life regardless of their ability to pay. All services are provided free of charge.

Mary Potter Hospice is a leading provider of Specialist Palliative Care with a strong commitment to clinical excellence, education and research.

Reporting to the Chief Executive, the Director Clinical Services is a key member of the Executive Team and will contribute to the strategic development of the services. The appointee will manage four Clinical teams: the Inpatient Unit and the three Community Teams in order to provide quality patient-focused specialist palliative care, clinical care and support both within Mary Potter Hospice and the wider community.

Person Profile:

- A well respected health professional
- Strong management capabilities, dedicated to staff development
- Team orientated
- A patient-focused ethic to specialist palliative care
- A multi-disciplinary approach in order to provide seamless inpatient and community care
- Competence in financial management principles
- The ability to build effective relationships with a wide range of stakeholders
- Effective communication skills, both verbal and written
- A tertiary qualification – preferably in Nursing.
