

# NURSE DIRECTOR

## **Perioperative & Clinical Support Services Auckland District Health Board, New Zealand**

We have an outstanding career opportunity for an experienced and motivated leader to move into this key senior leadership role and really drive positive outcomes in the area of Perioperative & Clinical Support Services within one of New Zealand's largest and most respected teaching hospitals. This role is responsible for the professional governance and clinical quality of ADHB's operating room and clinical support nursing services.

You will be a New Zealand Registered Nurse with a current practicing certificate and experience in a senior leadership role within perioperative services.
