## Registered Nurse – Nursing Resource Unit

### Dunedin Hospital

#### Full and Part time permanent positions available

- Is DIVERSITY your middle name?
- Do you love change?

Day 1: Roll up your sleeves, 3 Ambulances are on their way to ED

Day 2: Tend to patients on the Acute Stroke Unit

Day 3: ...Who knows?! That's just part of the excitement!

This is definitely the perfect role for you if you love the thrill of a new adventure everyday! You may know us as a nurse bank, or staffing pool whichever name you prefer – we like to believe we are the rescuers! That's right we are those nurses who come to the rescue of a ward or service who is in need when nurses are off sick.

If you are seeking a new challenge and enjoy variety in your work, then Dunedin Hospitals Nursing Resource Unit is for you!! The Nursing Resource unit supports clinical areas in the hospital by providing sick leave cover for areas at short term notice.

We are currently looking for Registered Nurses with excellent general nursing skills and the ability to quickly adapt to any ward situation to join our friendly and supportive team. There are currently either full or part time permanent vacancies available on a rostered shift basis. Please indicate what how many hours you are available to work.

A full orientation with supported educational opportunities is offered.

Enquiries and applications are invited from Registered Nurses who are ready to take up the challenge and start living a life of diversity today!

**Please attach an updated CV and cover letter. Apply online or contact Jayne Inglis, Recruitment Advisor – Nursing & Midwifery, phone 03 470 9571, email [jayne.inglis@southerndhb.govt.nz](mailto:jayne.inglis@southerndhb.govt.nz)**

**Closing Date: 24th September 2010.**

**For more information on this position and for our complete list of nursing vacancies please visit our website.**
