

Can you deliver educational excellence? **CLINICAL EDUCATOR – Wellington**

The Capital and Coast Care Coordination Centre is a leader in coordinating access to community based health and support services for people living in Kapiti, Porirua and Wellington and needs a full time Clinical Educator to develop a training framework for the continuing education of our Care Managers and Clinical Screeners.

The role works closely with facilitators to deliver education programs consistent with the requirements of the service. It primarily involves providing coaching, mentoring, teaching and supervision to Care Managers and Clinical Screeners and acting as a resource for Care Coordination.

To be successful in the role you will need experience and credibility within a health care team environment, strong effective networking skills, leadership skills and the ability to inspire, motivate and develop others.

Teaching competence by creating effective learning options and a knowledge of the local community, current government policies, codes, legislation, curriculum planning and principles of adult learning are essential. Qualifications to degree level, or above, in Adult Education and in a relevant health field are also essential.

If this sounds like you and you would like more information please contact:

Fran Cook, General Manager on franc@careco.org.nz or forward your cover letter and CV to Amie Kingsbury (HR Administrator) at carecojobs@careco.co.nz or by post PO Box 36 126 Merivale, Christchurch
