

# Nursing Lecturer

## Acute Care – Medical – Surgical

---

**Commencing in the 2011 academic year, we offer a chance to join an innovative, supportive team who are professionally and personally motivated by the dynamic and challenging tertiary learning environment, flexibility of work hours, location, and opportunities for professional development.**

In this permanent full time role you will be teaching predominantly in the Bachelor of Nursing including theoretical and clinical courses. Teaching needs to be informed by extensive experience in medical-surgical nursing, knowledge of contemporary practice and will involve integrating anatomy, physiology, pathophysiology and pharmacology. Opportunities to teach in other areas of the School, including our Graduate Certificate in Nursing Practice, will be negotiated depending on the interests, background and qualifications of the successful applicant.

If you are an experienced Registered Nurse with a masters degree, and a commitment to nurses of the future then we want to hear from you. We will accommodate those seeking an active engagement in research and/or leadership in teaching.
