

Nursing Lecturers (2)

Join the team in the School of Nursing and contribute to degree teaching, including assessment and mentoring of students within the clinical practice environment.

We have available two permanent Lecturer positions, one full-time and one 0.5 role.

You will:

- Be a registered nurse with a wide range of nursing practice experiences
- Hold a Masters of Nursing or similar Masters Degree qualification
- Actively participate in research, scholarly activities and clinical practicum.

Previous relevant teaching and recent research experience an advantage.

Clinical Arts and Technology Centre Coordinator (0.5)

This role includes the coordination and management of all functions relating to the Clinical Arts and Technology Centre including development of simulated learning resources and opportunities.

Applications close Wednesday, 16 February 2011. For a full job description and to apply online please visit Jobs@EIT on our website.
