

Education Review

UNLIMITED ONLINE SCHOOL WIDE ACCESS FOR ALL TEACHING STAFF

ONLY \$200+GST

Education Review is the leading independent source of news and special reports for primary and secondary school educators across Australia.

The *Education Review* editorial team includes some of the most well respected education writers in the country. We have also developed a partnership with ACARA (Australian Curriculum and Reporting Authority) and AITSL (Australian Institute for Teaching and School Leadership) to bring readers the latest information ensuring they are accurately informed on developments within the sector, making *Education Review* an invaluable resource for all school educators.

To ensure all school staff are able to access the essential content from *Education Review*, we have launched unlimited online school wide access to www.educationreview.com.au. In addition to the valuable content already published twice per term, the website also delivers special breaking news content every week.

The benefits of unlimited online access include:

- 12 months unlimited online school wide access for all teaching staff including current and archived issues of *Education Review* and ACARA and AITSL content
- Weekly breaking news email alerts sent to all staff directing them to key stories.

Total price \$200 plus gst, subscribe online at <https://subs.apnedmedia.com.au/pages/new-subscription/1-package.php?pub=er>.
