

# Interested in being part of the future of Forensic Mental Health in Sydney, Australia?

**We have progressive opportunities for Registered Nurses with recent Mental Health experience.**

Operated by Justice Health, The Forensic Hospital is an integral part of the State-wide Forensic Mental Health Service.

Located at Malabar and officially opened in February 2009, this purpose-built 135-bed facility provides high-quality specialised care to male, female and adolescent forensic patients in a high-security therapeutic environment.

Close to the world famous Bondi Beach, Sydney's best parks & cafes and only 20 minutes for the CBD. This opportunity will offer any Nurse a fantastic quality of life.

Justice Health offers flexible work options, salary packaging, education support and self development opportunities for progressive Mental Health professionals.

**If you are a Registered Nurse with recent Mental Health experience please forward your current resume and covering letter to [careers@justicehealth.nsw.gov.au](mailto:careers@justicehealth.nsw.gov.au)**
