HEALTH ADVISOR

(Registered Nurse) – Full time

Are you passionate about delivering quality health care to people with a disability? Are you looking for an exciting opportunity to further your career in the health and disability sector?

NZCare Group is one of the largest providers of support services to people with intellectual and physical disabilities. We currently require an experienced Registered Nurse to work in the Hutt Valley area.

The ideal candidate will have:

- Sound experience in primary care / community health / long term conditions
- Assessment, health planning and goal setting skills
- An interest in providing health education for clients and support staff
- Knowledge of and/or experience for caring for someone with Huntington's disease would be an advantage
- The ability to motivate others
- A commitment to quality improvement
- Willingness to participate in a limited on call roster
- A current practicing certificate.
- A full driver's licence

We can offer you:

- An interesting role with flexibility in hours
- An ability to work on your own initiative whilst being part of a supportive team
- A Professional Development and Recognition Programme
