**No bones about it! Orthopaedic Nursing is for nurses who enjoy a fast-paced, challenging and rewarding environment.**

As a leading trauma centre, orthopaedic nursing at Auckland City Hospital offers you the opportunity to widen your experience in caring for people within the scope of multi-trauma and elective orthopaedic specialities.

Auckland City Hospital is one of the largest tertiary hospitals in the Auckland region with 32 operating theatres 13 of which cover adult orthopaedic surgeries of all kinds.

Our population is diverse - you will work within a multi-disciplinary team where you will care for patients aged 15-106 years. Our multi-disciplinary approach is crucial to patient care and discharge planning. We have Observation Units that provide a place of caring for patients with high-health needs. Our team also extends to include other specialities such as Pain and Trauma.

We have permanent positions available within both of our orthopaedic wards which provide care for Acute and Elective orthopaedic patients at Auckland City Hospital. We offer a comprehensive orientation programme where you are allocated a preceptor to work with. A clinical skills workbook has been designed to assist you learn the policies and practices of the orthopaedics unit and the hospital. Post graduate opportunities are available to advance your practice - preparing you for future senior nursing roles.

If you are an experienced orthopaedic nurse who wants to work alongside a team of dedicated professionals in a modern up-to-date tertiary hospital, then here is your chance! Ideally, you will have experience of working in an orthopaedic ward, however we will consider acute or surgical ward experience as well.
