

# Clinical Leader Position for the Parkinsonism Society of New Zealand (Full time)

This is a rare opportunity to step into a role where you can really make a difference in community care for people with Parkinson's and Multiple Sclerosis and develop the potential of the Societies' Field Officers.

As our National Clinical Leader you will be using your leadership and clinical expertise to enhance the quality performance and professional development of our field officers while also supporting National Office with clinical advice on both Parkinson's and MS.

The position is based in Wellington and will involve travel around New Zealand. This position involves knowledge of the National NGO sector and the ability to form strategic relationships with other support networks and national organisations supporting the work of the Chief Executive. You will have a current health professional registration and understand the requirements of the Health Practitioner Competence Assurance Act 2003 and implications for the non regulated health workforce. It is expected you will have postgraduate qualifications in areas such as health, education, psychology, social services, or rehabilitation.

Salary range \$66,000 - 73,000
