

Rosebank is a 100 bed residential care facility located in Ashburton. Care provided encompasses palliative convalescence, rehabilitative and residential care services.

We require a Staff Educator who is a New Zealand Registered Nurse with a passion for teaching to support our staff in developing the skills and knowledge necessary to deliver best practice care

This role is primarily responsible for facilitating the education of staff through the planning, implementing and monitoring of staff development and for undertaking the NZ Nursing Council Competency Registration course

As the staff educator in this role you must

- Be a NZ Registered Nurse with a current practicing certificate
- Have a minimum 3 years post basic experience and a relevant education qualification
- Possess the skills and experience and leadership required to undertake the role
- Demonstrate excellence in clinical practice
