yours & ours**

Nurse Educator ICU

North Shore Hospital

Waitemata District Health Board (DHB) serves the largest DHB population in the country – more than 525,000 people. It is also the second fastest growing of New Zealand's 20 DHBs.

Are you an experienced Registered Nurse with a post graduate qualification in Critical Care Nursing looking for a new challenge? The North Shore Hospital ICU/HDU is seeking a full-time Nurse Educator to join the Senior Nursing team. Recent relevant clinical experience with a minimum of five years post registration experience in an intensive care setting is required.

The successful candidate will be responsible for developing and delivering in-house nursing education and education resources for the combined Intensive Care and High Dependency Units. You will have a dynamic and creative approach to patient care and nursing education together with good communication skills, proven experience of teaching and self-initiated behaviour.

If this sounds like a role you have been waiting for, apply at www.aucklandhealthjobs.com
